

# End-Of-Year Reflection

As you think on each month of the year, reflect on the following questions. We encourage you to print 12 pages out and write down your thoughts for each month.

Where were you?

---

---

---

What was going well? What wasn't?

---

---

---

---

---

What were some wins this month?

---

---

---

---

---

Any losses? Celebrations? Opportunities for growth? Milestones?
